

## HOST A CLINIC WITH SHANE DOWDY

### **Host a 2 day Clinic with Shane Dowdy**

Shane Dowdy offers a two day clinic nationwide, Shane realized that not everyone can travel to Texas for a Clinic with him so he has created these three day clinics to make learning about your horse and improving your skills available to everyone. Local people can act as hosts at their own facility, if the facility meets the requirements, or at a local facility that does. The host's benefits include:

- Space in the clinic at no charge.
- Retain proceeds from stall rentals
- The knowledge and satisfaction they have made it possible for others their area to better their horse and themselves by learning techniques that Shane has used when training World, Congress, NSBA and Reichert Champions.

### **Host Requirements and Expectations**

#### **In order to be considered as a host, you must be able to provide the following:**

- The Host Facility must have access to a covered or indoor arena that is at least 100 X 150. If an outdoor arena is present this may be used depending on the size and weather, but an indoor or covered arena is a must be available the day of the clinic!!!
- Local promotion and advertising (Shane Dowdy Clinic officials will assist with this)
- Stall Rentals and Bedding
- Area setup and sales of Shane Dowdy Merchandise. The host will need to provide tables and power source. Host must have an attendant for the merchandise who will commit to staffing merchandise display for the 2 days.

#### **In return, Shane Dowdy will provide:**

- One spot in the clinic to be used at the host's discretion (you may ride in the clinic, sell the spot, donate it etc.)
- All proceeds from stall rentals
- Promotion of clinic on [www.shanedowdy.com](http://www.shanedowdy.com)
- Assistance with local advertising
- Sound System
